

**UNITED STATES PATENT AND TRADEMARK OFFICE
CERTIFICATE**

Patent No. 5,925,730

Patented: July 20, 1999

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Graeme Semple, Gothenburg, Sweden; Guangcheng Jiang, San Diego, CA; Jean E. F. Rivier, La Jolla, CA

Signed and Sealed this Fourteenth Day of September 2004.
